The Administration, Faculty and Staff of TABC wishes you a Chag Kasher V'Sameach.

Multi-Generational Talmud Torah at TABC

The Gemara in Pesachim instructs us to be shoalin b'hilchot Pesach kodem haPesach. TABC began its preparation for Pesach with an evening of Parent-Son Learning. After enjoying dinner together and wishing senior Zach Orenshein a happy birthday, talmidim and their parents moved on to the beit midrash. There they prepared mekorot and heard a shiur by Rabbi Rich. For more photos, [click here](#).

Congratulations College Bowl Teams

Congratulations to the JV College Bowl team on its first place victory and to the Varsity College

Art Appreciation at The Met

Mrs. Edelman's art appreciation classes experienced an interactive tour entitled "European Art in an age of Reason and Religion," at the Metropolitan Museum of Art, which followed their recent study of Renaissance and Baroque art. It was exciting for them to see some of the works they had seen on the SmartBoard, and many commented on the experience. After the tour, the students had the chance to explore on their own. Thanks to Ms. Hoenig and Mr. Strassman (TABC '05 alum who was in Mrs. Edelman's first ever art appreciation class!) for chaperoning. For more pictures, [click here.](#)

TABC Math League Victorious

The TABC Math League has completed the 6 meets of the New Jersey Math League. We are proud to announce we finished second of thirty-four schools in Bergen County. We were

Bowl team for winning second place (losing in overtime).

commended for being a high scoring school in the state of New Jersey. There are 188 participating schools in the state. Yehuda Koslowe gained recognition for achieving the fourth highest cumulative score in the state and Hillel Koslowe attained the sixth highest cumulative score in the state. In addition to our honors in New Jersey, we are also the highest scoring yeshiva in the metropolitan area.

On the sixth competition our team had the highest score in Bergen County. The students whose scores contributed to this feat are Hillel Koslowe and Yehuda Koslowe who earned a perfect score of 6. Jared Benjamin, A. J. Book, Zachary Greenberg, and Daniel Zolty achieved a score of 5. As well as these talented students, we wish to commend high scoring students Shalom Gottesman, Orrin Kigner, Jacob Rosenfeld, Eitan Schneier, Andrew Haberman, Meir Jacobs, Netanel Arussy and Jonah Ganchrow.

Congratulations to all members whose supreme effort and performance brought honor and distinction to TABC. The Math League Advisor is Mrs. Irene Stein.

Sunday Learning

Sunday morning shiur with Rabbi Wiener on hiatus until after Pesach.

STORM Soccer Wins Continue

Congratulations to both our JV and Varsity Soccer teams on their wins this week! Go Storm!!!

TABC AP Physics Visits Yeshivat He'Atid

AP Physics students Matan Leff, Orrin Kigner, and AJ Book visited Yeshivat He'Atid on Monday to evaluate the project based learning engineering projects of their students. They interacted with students from kindergarten through 4th grade and explained the physics involved in their projects which included momentum, friction force, gravity, and topics in kinetics. These students volunteered their time to foster a love of the sciences in the next generation of Jewish leaders, all the while having a great time with the kids. It demands a special talent to explain their AP level training on such levels. We are singularly proud of their efforts and successes. We look forward to additional engagements between TABC and Yeshivat He'Atid.

Matmidim Shabbaton Entertains and Inspires

This past Shabbat, the senior matmidim had an unbelievable shabbaton at the home of Rabbi and Dr. Malitzky in Passaic. The matmidim davened at the Carlebach minyan located in the home of Harry Rothenberg (uncle of Zachary Rothenberg '17) where they were both entertained and inspired by the speech given by the elder Mr. Rothenberg, who is a noted speaker. At dinner, divrei Torah were given by Areli Bolour 16' and Drew Stomer 16' and

students stayed up late singing and schmoozing. After davening and Kiddush on Shabbos day, students had lunch at the home of Rabbi Malitzky where divrei Torah were given by Zachary Lent 16' and Yair Knoller 16'. Following a break, matmidim went to hear a fascinating shiur by Rav Pesach Skulnick, Rebbe at Heichal Hatorah and noted talmid chochom. After mincha, students had a 45 minute learning seder before going back to Rabbi Malitzky's home for seudah shlishit where they were joined by Rabbi Scott Friedman who spoke powerfully and passionately of our awesome potential to reach great heights in whatever we want to accomplish in our lives.

Shlomo Korsinsky '17 Makes Siyum

Mazal Tov to junior Shlomo Korsinsky on completing Messechet Pesachim. Many members of the TABC family joined in his siyum on Sunday. We are proud that our talmidim understand the importance of talmud Torah lishma and that learning is a lifelong endeavor.

Seeking Parent Volunteers

Family involvement at TABC is critical to our success. We are so grateful for the contributions that parents and alumni make of their time, skills and resources. We invite you to participate by joining one of our active committees for this school year. Please click [here](#) to see how you can get involved.

Rabbi Grossman & Students Cheer on the Yankees

On Wednesday April 6th, Rabbi Grossman took a group of TABC students to the Yankees Vs Astros game. After school, the group had a pizza dinner and were then off to the stadium. There, on a very cold night, they saw the Yankees win 16-6, with 6 home runs being hit. The boys and Rabbi Grossman, an avid Yankees fan, had a wonderful bonding opportunity, a night they will remember for a long time.

Tweeting Up A STORM!
